

The Federal Communications Commission

Dear The Federal Communications Commission,

Please reject the flat fee tax proposal. i barely can afford my tracfone for my kids to reach me and for emergencies. if raising the universal tax would raise the cost of the minutes i purchase or raise the price of any future phone replacement, no matter how small, that would be a big problem for me and my kids.

Mimi Sefcik 34455 Park East Solon, OH 44139

Sincerely,

Mimi Sefcik
